

PERMISSION TO REGISTER FOR GRADUATE CREDIT POLICY

Senior undergraduates with a grade point average of 3.0 or higher must request permission to register for a graduate level course. Seniors must file a "Permission to Enroll in a Graduate Course" form with Graduate Studies at least ten (10) days before the beginning of the term of registration. Although an undergraduate student may take a graduate level course, the student is not guaranteed acceptance into the graduate program after completion of the baccalaureate degree. Credits cannot be reapplied towards the graduate degree.
