

Advancement Committee Charter

Purpose

The Advancement Committee shall provide policy advice and update the Board concerning:

1. The development, implementation, and management of fundraising activities, including capital campaigns; and
2. The development of university marketing and communications programs.

Meetings

The University Advancement Committee meets as necessary between regular Board meetings.

Membership

The University Advancement Committee shall be comprised of at least three (3) but no more than five (5) members as determined by the Board Chairperson; one of these members is usually the Student Government Association President. The Committee Chair shall be appointed by the Board Chairperson.

Staff Designee

The Vice-Chancellor for University Advancement shall provide staff to support the Committee.

Adopted: March 19, 2021
