2025-2026 FINANCIAL AID AWARD NOTIFICATION

June 30, 2025
 Dear [REDACTED]

The Office of Scholarships and Financial Aid is pleased to offer you the following assistance to meet your educational expenses. These awards are based on the results of the Free Application for Federal Student Aid (FAFSA), the expectation of full-time enrollment, and the calculated cost of attendance. Please note your award(s) are subject to change. If any awards change, you will receive a revised financial aid award notice; it will be sent to your wssu.edu email address.

Based on your cost of attendance, you are eligible to receive financial aid up to \$23,364.00.

Please note: Your parent(s) may be eligible to borrow a Federal Direct Parent PLUS Loan in any amount up to your unmet cost of attendance of \$10,863.00 to cover direct costs (tuition, fees, etc.) and/or indirect costs (transportation, personal expenses, etc.). While this loan is credit-based, the credit check is generally less strict than other types of bank loans. If the credit check is not approved, you will be eligible for an additional Federal Direct Unsubsidized Stafford Loan amount. Parents may apply online at StudentLoans.gov.

For more details regarding financial aid, we encourage you to visit <https://wssu.financialaidtv.com/>.

Winston-Salem State University Terms and Conditions

Your acceptance of financial aid indicates that you have read and understand all related terms and conditions of your award. You are strongly encouraged to read this entire document and retain a copy for your records.

Your grants and scholarships are automatically accepted. You must accept loan and Federal Work-Study awards or your awards may be canceled. Loan certifications will not be processed until the award has been accepted. Acceptance of some aid may in turn necessitate the submission of additional documents to our office; be sure to check your outstanding requirements.

The Office of Scholarships and Financial Aid (OSFA) reserves the right to make policy changes which may affect your eligibility for future financial aid. Failure to comply with financial aid policies may result in the need for you to repay aid already received.

Financial Aid Awards Subject to Change

The financial aid awards listed in your award letter are subject to change at any time based upon the availability of funds and any updated information provided to or received by the OSFA, including notification of additional aid granted to you. There are many reasons why you may become ineligible for funds. Some of these factors include, but are not limited to:

- Your total award package including outside assistance exceeds your "cost of attendance" (the estimated total of tuition, fees, room, board, books, supplies, transportation, and personal expenses for the award period, as determined by the OSFA)
- Changes in residency (your status changed from non-North Carolina Resident to North Carolina resident or vice versa)
- Changes in enrollment status (from full-time to part-time or other status changes)
- Receipt of other aid
- Withdrawal from classes
- Failure to comply with university immunization requirements
- Changes in reported financial status

Please note: It is your responsibility to repay any disbursed monies for which you have become ineligible. It is also your responsibility to pay any current term charges that your aid does not cover. You must notify the WSSU OSFA immediately if you are attending another institution simultaneously to WSSU and are
