

Student Consumer Information

In Accordance with federal regulations set forth by the Higher Education Act of 1965, as amended by the HEOA of 2008, this guide is available for all prospective and enrolled students to inform them of the availability of specific types of consumer information. This guide provides a brief description of important topics, as well as university public web addresses. Specific information about programs and services is available from the appropriate university departments. This guide is available online or by requesting a paper copy from the Office of Financial Aid at:
